DISCHARGE DESTINATION

MISCELLANEOUS

Seacrest Village is a CMS 5 star facility located in Little Egg Harbor Township. Being family owned and operated with nearly 30 years experience in providing quality care to the community's elderly population, we have developed a culture of caring that is second to none. We specialize in sub-acute rehabilitation and offer the services of a full-time nurse practitioner to address the needs of our residents across our continuum which also includes Assisted Living, Adult Medical Day Care and Memory Care.
